SHERRARD

Sherrard Students Attend United Township

AVC stands for the Area Vocational Center located at United Township High School in East Moline. It consists of students from approximately 12 schools including 40 to 50 students who attend from Sherrard

AVC serves the purpose of teaching a broad range of courses that require equipment and/or instructions that are not within the means of many smaller schools

The funding for these classes is shared by the home schools and the Illinois Office of Education. Sherrard High School provides about \$500 per student for this program, and they also provide transportation to and from United Township High School

French Club Celebrates Bastille Day

On July 14, 1978, the Sherrard French Club, "Les Parisiens," staged a mini-replique of a traditional French Bastille celebration in the Sherrard Pavillion.

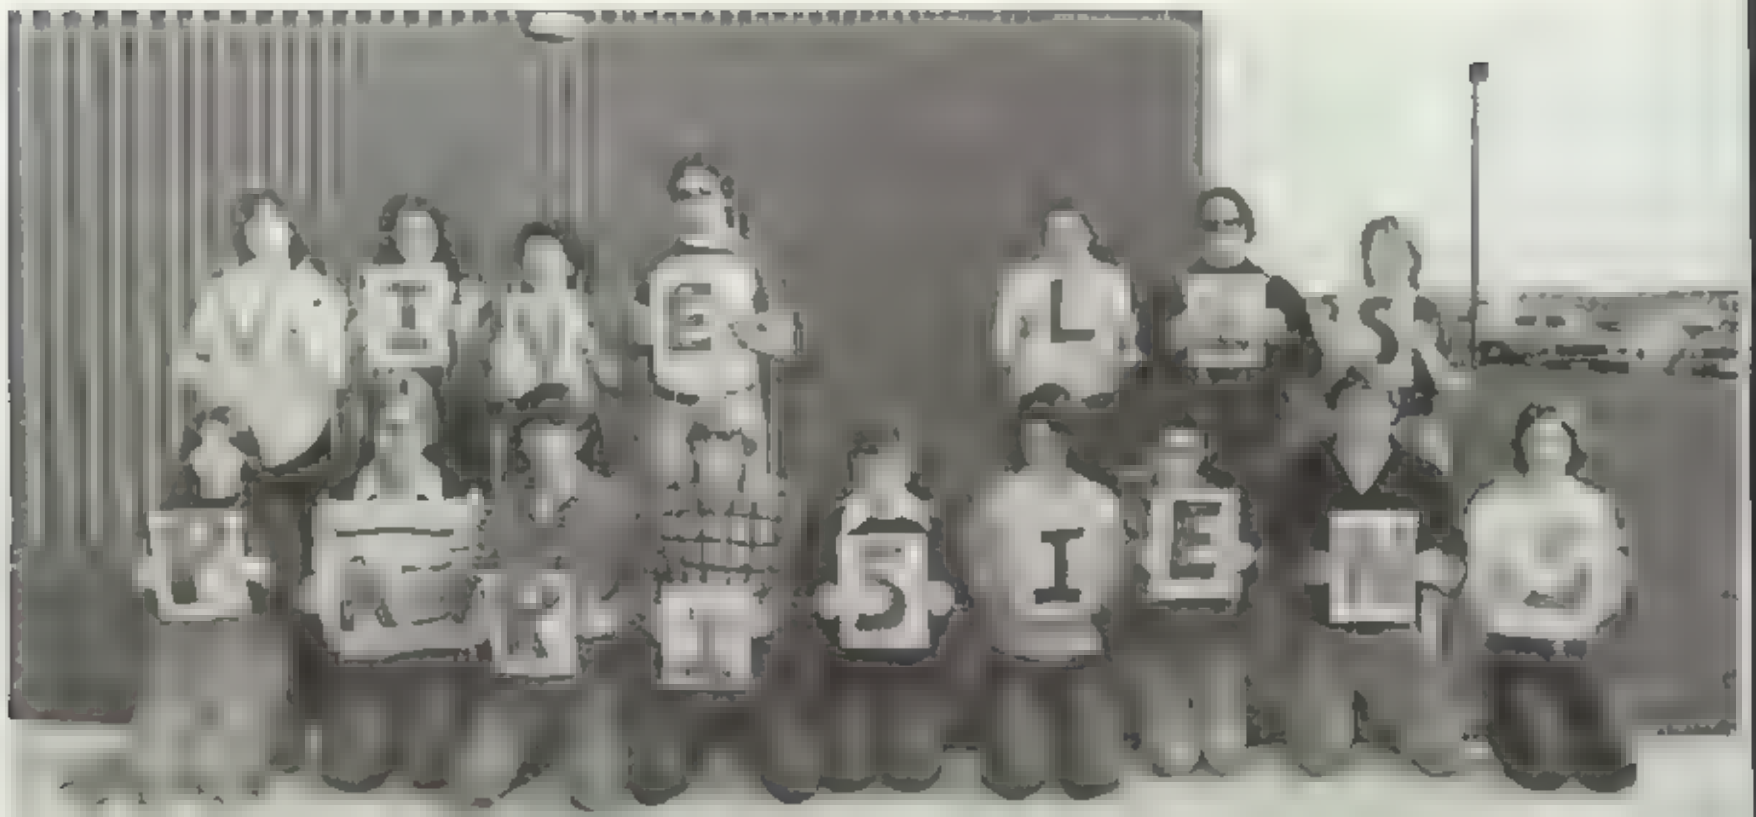

The celebration required many days of preparation. There was information to be gathered on cheeses, wines, castles, and the French flag. There were ingredients to be bought for the preparation of fresh crepes and ribbons to be printed for a remembrance. We informed people of the celebration by coverage in the local papers. There were letters of invitation to be written, one of which was sent to the President of France. "Les Parisiens" received a letter from the president's secretary expressing the president's sincere disappointment in not being able to attend.

The celebration was a great success and all donations were turned over to the treasury to be used for the annual trip to Chicago in the spring of '79.

"VARIETY '78"

"VARIETY '78" provided entertainment with a little bit of everything from music to drama and even commercials. Since this was to be the first play in our new high school, it was planned so that as many people as possible could take part—over seventy, including cast and crews. After much hard work and several postponements, in hopes that the new auditorium would be finished in time (which it was not), the show was put on at the old school. It will be remembered not as the first play in the new school but as the last in the old school

The Diary of Anne Frank

This year's fall play, *The Diary of Anne Frank*, was the true story of a Jewish girl, her family, the Van Daan's, and Mr. Dussel hiding out from the Nazis during the occupation of Holland in 1942.

Anne kept a diary during this time in which she told the daily happenings that took place while living in such a small, concealed hiding place. The diary was filled with the love, hopes, and fears of each of the eight people.

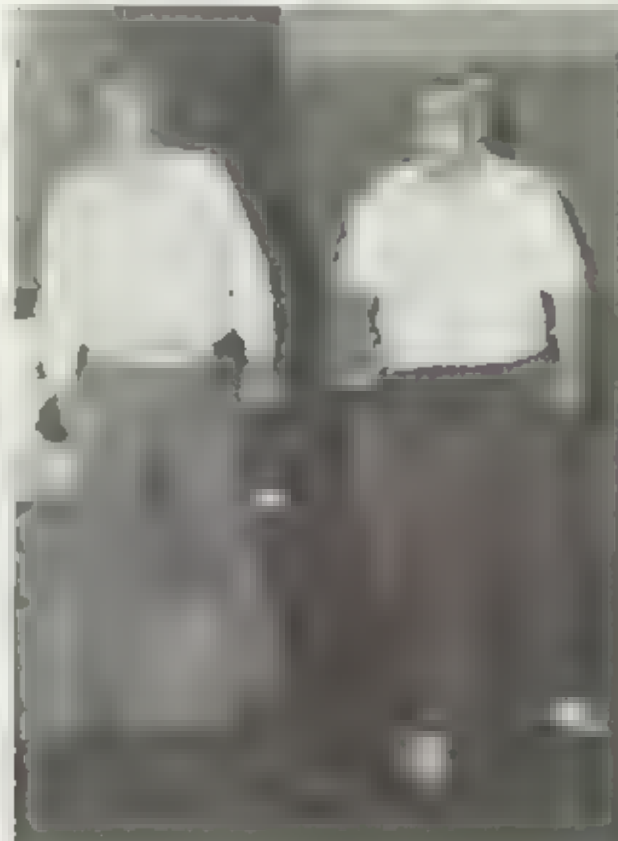

They managed to hide out for twenty-five months before being discovered by the Nazi soldiers.

All eight people were sent to concentration camps. Mr. Frank was the only one who survived.

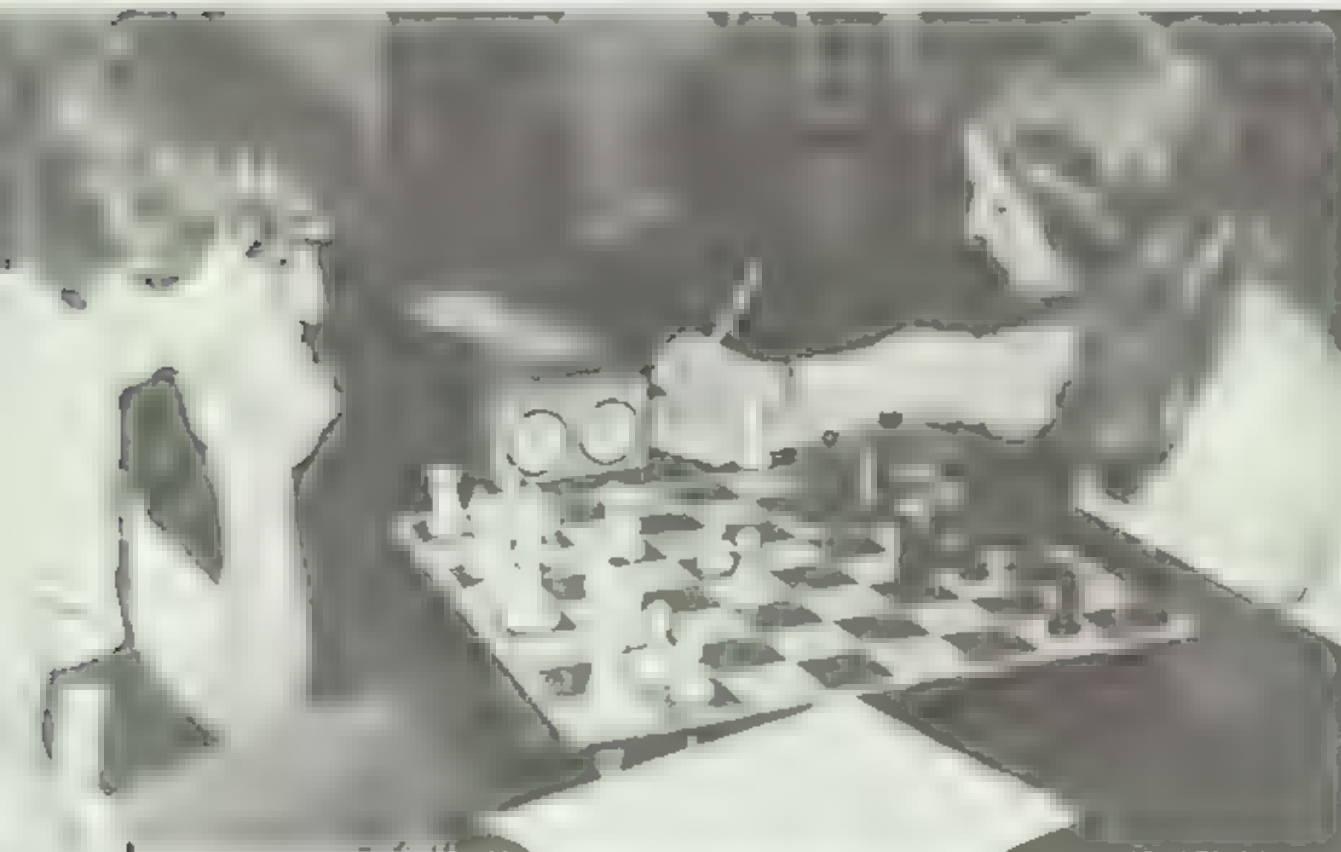

Anne's diary was later discovered and has since been composed into books, plays, and has also been on television.

Industrial Arts Club Has Winning Homecoming Float

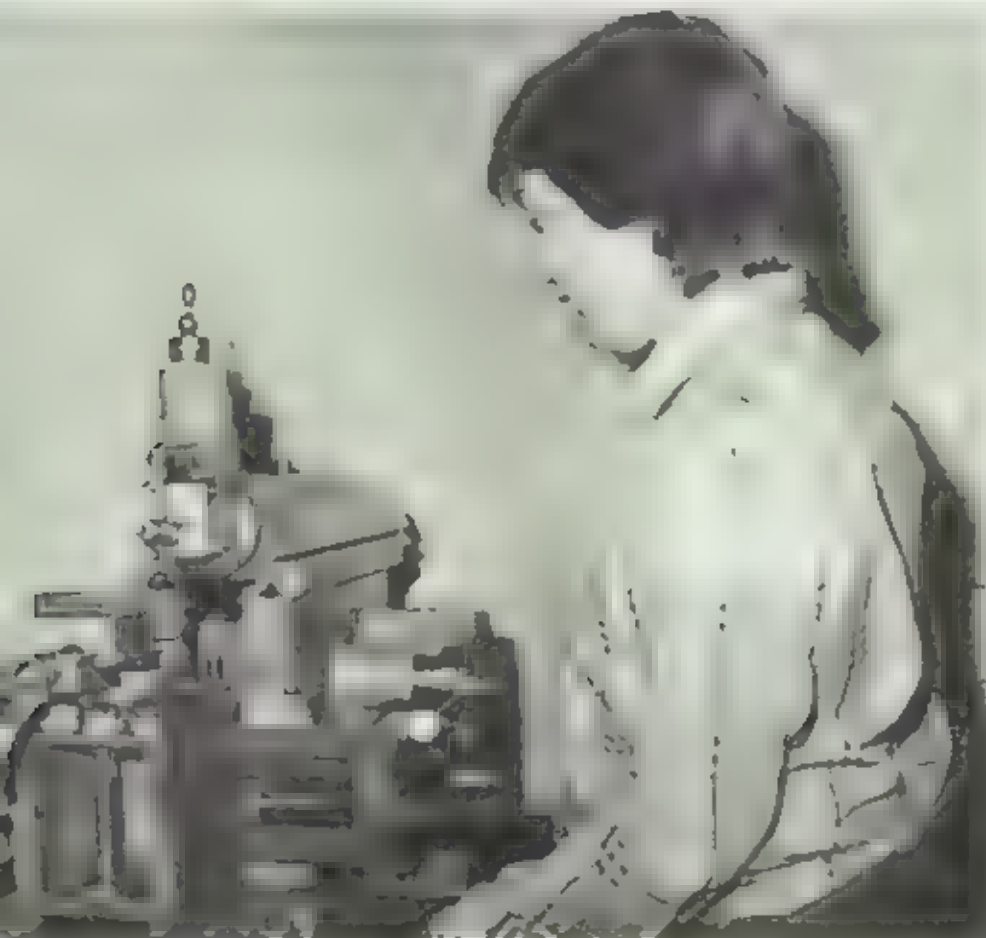

The 1977-78 school year brought a "new era" for the Sherrard Industrial Arts Club. The club was involved in three major activities. First, we went on a trip to Chicago and visited the Museum of Science and Industry. Second, we held a dance called "Disco I," which was a first at Sherrard High. Third, we placed first at the State Industrial Arts Exhibit at Macomb, Illinois. Needless to say, we take great pride in our club and its accomplishments.

Tigers Put Forth Much Time and Effort

The 1978 track season was an exciting one with much enthusiasm among the Sherrard squads. The girls, with a small but competitive team, finished with a record of 5 wins and 1 loss, placed 4th in the conference meet, and 5th in the district meet. The girls team, for the first time, had members qualify to participate in the state meet. Theresa Nelson qualified in the discus and finished 9th in the state. Gail Holliday qualified in both the two mile and mile and finished 4th and 10th in the state respectively.

The boys squad finished with a varsity record of 3 wins and 2 losses in dual meets. They also scored well in meets with three or more teams entered and finished 5th in the conference meet. The fresh-soph squad finished 3rd in the conference meet. Doug Duty participated in the discus event at Charleston for his second year. This year he also participated in the shot put. Doug, only a sophomore, placed 2nd in state in the discus.

Both squads had many young, inexperienced, and hard-working members this year and are looking forward to an even better year in—'79

But They're No. 1 in Our Hearts

The 1978 Varsity Football Team established the "Big Family" spirit for all future teams to adopt. The players' excellent attitude and their belief in the concept of "One for all and all for one" produced a great season for this year's team. This year's accomplishments included a 9-2 record, the first Varsity Olympic Conference Championship, and a quarterfinalist finish in the state play-offs, losing to Stockton, the eventual state champion

Sherrard Bananas Never Bruise . . .

The Varsity Volleyball Team enjoyed a most successful season by winning the Conference Tournament, the Conference, and the District Tournament. Their 17 and 2 record was attributed not only to the fine talent of the girls but to the excellent attitude they possessed. The girls maintained a strong sense of team pride and closeness from the beginning to the end of the season.

Sherrard opponents were outscored 773 to 478. Of the 19 matches that were played, Sherrard won 35 of the total 43 games.

Confidence

Faith and trust in ourselves and others
That's what confidence is all about. Royal Neighbors of America, a fraternal life insurance society, offers an insurance program that can be believed in and can let people believe in themselves. We take time to discover individual goals and determine life insurance needs. It's our business to provide insurance programs geared to each particular person. Confidence is gained in us, and the security of a sound financial future provided by life insurance renews self-confidence. Royal Neighbors of America — where confidence is custom tailored.

Advertisements play an important part in
the production of the Ivy Tower. The ads com-
bat the high cost of producing the yearbook,
making it more affordable to the individual.
Without the support of the merchants, the cost
would rise to an unbelievable sum. Our goal
was to sell enough ads to the merchants to
keep the Ivy Tower accessible to you, the Stu-
dent Body, the Faculty, and the Alumni.

Wanted:
Local merchant to
place ad with the Ivy
Tower

*Let everyone know that your life has begun,
And adventure ahead now awaits.*

*Lead on with courage, honor, and strength,
For these are commendable traits.*

*Learn all that you can with every step that you take,
And teach others along the way.*

*Love with your heart, it will show in your eyes,
And your dreams will shine brighter each day*

*Live for those who can't live for themselves,
And help them to understand . . .*

*That their minds are
unique in a special way
and their own future
is now at hand.*
